

INTERNATIONAL ACTIVITY REPORT 2022-2023

PROFILE OF UCU GRADUATE

7. GLOBAL INVOLVEMENT

We understand local challenges through the prism of global ones and, on the other hand, we accept their connectedness. We are involved in solving problems of sustainable development on various levels. We value communication among communities and in society. We understand that the Lord created all people and each one in particular in love, and we strive to foster the harmony and solidarity of various races, nations, cultures and religious faiths.

The concept of a
“University That Serves”

Academic Development and
International Solidarity
